Before: Disorganized files

The screenshot displays two overlapping Windows File Explorer windows. The background window is titled 'ALIFA' and shows a directory tree on the left with folders like 'Gangli', 'Skepki', 'Downloads', 'Lamaran Kerja', 'GameHouse', 'FA', 'Knowledge Adventure', and 'Split Dokumen'. The main pane shows a list of files with columns for Name, Date modified, and Type. The foreground window is titled 'Kab. Karawang' and shows a similar directory tree on the left. The main pane shows a list of files with columns for Name, Date modified, Type, and Size. Both windows show a search bar at the top and a taskbar at the bottom.

- ### After: Organized file (by NIP)

The image displays a data visualization project for ASN (Civil Servants) data. On the left, an Excel spreadsheet shows the raw data for 'Salinan (20260401) Jumlah ASN April 2026'. The data is organized into columns for 'Nama Kota/Kab.', 'Pemerintah Kab.', and various ASN categories (PNS GOL, PNS GOL, PNS GOL, PNS GOL, PPPK GOL, PPPK GOL, PPPK GOL, PPPK GOL, PPPK GOL, PPPK GOL, Usia, Jumlah, Baby Boomer). The right side of the image shows a dashboard titled 'STATISTIK DATA ASN WILAYAH DATA DUMMY' with the subtitle 'Sumber Data : SIASN per 06 April 2026'. The dashboard includes several charts and tables:

- Generasi:** A table showing the distribution of ASN by generation: Baby Boomer (1946-1964) with 1, Gen X (1965-1980) with 2,812, Gen Y (1981-1995) with 7,132, and Gen Z (1996-2010) with 1,662. A note indicates 'Didominasi Generasi Y Sebesar 61,4%'.
- Jenis Kelamin:** A bar chart showing the distribution of ASN by gender: Male (44%, 5,107) and Female (55%, 6,500).
- Prediksi Pensiun:** A table showing the predicted retirement of ASN: Tahun W (2026, 152) and Jumlah (2027, 141).
- Kategori Pekerjaan:** A bar chart showing the distribution of ASN by job category: Struktural (46.0%), Fungsional (7.57%), and Pelaksana (46.43%).
